Playing Ability

With the course being of championship status, it is not suitable for inexperienced golfers

Pace of Play

All golfers visiting the course wish to enjoy their experience. Slow play affects the enjoyment of all golfers on the course and it is expected that you keep up with the group in front. A 4-ball playing Dunbar is expected to play a round in less than 4 hours.

Course Health & Safety

It is the responsibility of the lead member of the party to make sure your group members are aware of Dunbar Golf Course Health and Safety. The safety headlines are:

Being Safe:

Dunbar Golf Course is on a narrow strip of links land and golf balls can therefore possibly be played onto the wrong fairway at a number of holes. Care must be taken at all times to ensure it is safe and clear to play.

When proceeding to the 7th tee (along the path behind the 16th green) be prepared to stand aside if others are on the 16th tee.

There is a coastal path used by walkers and there is signage reminding them to allow golfers to play their shot. However, this isn't always the case and golfers are reminded they should not play their shot unless it is safe to do so.

Playing your Part:

Please replace divots, repair pitch marks and use the seed mix provided at the par 3 holes.

Bunker rakes are provided, please use them and return them to their stand.

Dress Code

Members and visitors are asked to ensure that they conform to a good, neat and clean standard of dress and footwear both on and off the course.

Tailored crew/turtle neck shirts specifically designed for golf are not categorized as collarless shirts and are acceptable.

Only tailored shorts/tailored single coloured cargo shorts are acceptable in the Clubhouse and Golf Course. Beach or football shorts are UNACCEPTABLE.

Denim Jeans are ACCEPTABLE in the Clubhouse only if they are neat and tidy, are of uniform colour and are free of any fraying, holes, rips or tears.

Golf shoes with soft spikes are ACCEPTABLE in the Clubhouse provided they are clean. (Metal spikes are UNACCEPTABLE in the Mixed Lounge, Dining Room or Captains Lounge).

The following must **not** be worn in the Clubhouse:

Wet clothing Hats/caps/visors Collarless shirts Football/rugby/Beach tops or shorts

The following must **not** be worn on the Golf Course:

Jeans, collarless shirts, sleeveless shirts (not designed for golf), vests & football or rugby tops. It is requested that shirts be tucked into trousers.

The dress code in the Clubhouse does not apply to children under 10 years of age.

Persons not adhering to the above dress code may be asked to leave the Clubhouse or the Golf Course. Management reserves the right to decide what is suitable dress and the Professional and his staff and members of staff of Dunbar Golf Club have the full support of the Council in enforcing these decisions.

Mobile Phones

Speaking on mobile phones while on the course, practice areas or practice putting green except in an emergency is strictly prohibited.

In the Clubhouse mobile phones may be switched on subject to them being on silent mode. If a call is received the recipient must move immediately to one of the areas where the use of mobile phones is permitted, namely the Porch at the Main Entrance or the area between the Captains Lounge and the Gents Locker Room.
